SCHEDULED ITEMS

REGULAR COMMITTEE AGENDA ITEMS

1. Director's Report – Joseph Siam

Continuing to deploy laptops for both teachers and student carts. Correcting inventory data with Core Logistics for correct naming and imagery on carts. Tech hopes to have laptop carts deployed by end of February. Re-posted jobs for open tech positions. SOS data still being aligned. Two techs were sent to Illuminate User Conference in San Diego. Naviance information being updated by Tech Dept. Conversation about how iCue/iParent/SchoolLoop are interacting and the printing of Report Cards. Discussion continued philosophically on what is happening (one teacher thinks that parents/students don't need to know at this instant what there grade is) and what Ed. Code says versus what the Board wishes. HR is taking steps to make new hires paperless.

Development of Next Meeting’s Tentative Agenda

Information

1. How can we provide Equity in Technology Access?
2. How can we get new hires up and running with technology across the board?
3. How can we make the start of the school year more successful next year?

Robert agreed to send out a list of members’ emails. Please contact Robert with ideas of potential new members. Robert thinks there are one staff opening and several parents. Nominations/advertising should be made in March/April, and then it goes to the Board for approval in May.

Next Meeting: Monday March 3, 2014
